

Technical details about our electric charging points

3 Electric charging points in cooperation with the IAM Carinthia

At the Hotel Trattlerhof we offer our guests two electric charging points. Each has 3,7 KW and 16 Ampere, which are also adjustable for 11,1 KW.

At the chalet restaurant Einkehr we offer another electric charging point with 22 KW and 32 Ampere

Our chargers are Typ 2 / CEE 3pole

2 Tesla Supercharger

You can find them also at the Hotel Trattlerhof. Each has 22 KW and 32 Ampere and are available for our hotel guests.
